For the Removal and Permanent Cure of all NERVOUS DISEASES,

And of those Comparits which are caused by an impared, weakened at unhealthy condition of the NERVOUS SYSTEM. This beautiful and convenient application of the myste-rious powers of GALVANISM and MAGNETISM, has oeen pronounced by distinguished physicians, both in Europe and the United States, to be the mest rainable medicinal discovery

DR. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID. used with the most perfect and certain success in all care.

GENERAL DEBILITY, GENERAL DEBILITY,

Strongthening the weakened body, giving tone to the verious organa and invigorating the entire system. Also in FITS, CRAMP, PARALYSIS and PALSY, DYSPEPSIA OF INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY LUMBAGO, DEAFNESS, NERVOUS TRE MORS, PALPITATION OF THE HEART. APOPLEXY, NEURALGIA. PAINS in the SIDE and CHRST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SPINE, HIP COMPLAINT DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and THYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System.

Go In NERVOUS COMPLAINTS Drugs and Medicines mercace the disease, for they weaken the vital energies of the stready arostrated system; while under the strengthening life giving, vitalizing influence of Galvanism as applied by this beautiful and wonderful discovery, the exhausted patient and weakened sufferer is restored to former health, strength,

elesticity and vigor.

The great peculiarity and excellence of Dr. Christie's Galvanic Curatives, Or. Christic's Calvante Currettee, consists in the fact that they arrest and cure disease by one word application, in place of the usual mode of drugging and plaicking the patient, till exhausted Nature sinks hopelessly under the infliction.

The strengthen the whole system, equalize the circulation of the blood, promote the secretions, and never do the slightest injury under any circumstances. Since their introduction is the United States, only three years since, more than

75,000 Persons meluding all ages, classes and conditions, among which were a large number of ladies, who are peculiarly subject to Nore ous Complaints, have been

ENTIRILY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in vain!

To illustrate the use of the GALVANIC HELT, suppose the case of a person afflicted with that bane of civilization, DYSPE/ISIA, or any other Chranic or Nervous Disorder. In ardinary cases, atimulants are taken, which, by their action on the nerves and muscles of the stomach, afford temperature to the human large take and which with its contraction of the stomach, afford temperature and which less the subset in a lower state and with its ilef, but which leave the pullent in a lower state, and with in Jured faculties, after the action thus excited has e-axed. Now compare this with the either resulting from the application of the GALVANIC BELT—, ake a Dyspeptic sufferer, even in the GALVANIC BELT , ake a Dyspectic sufferer, even in the worse symptoms of an attack and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thready causing a Galvanic circulation which will pass on to the negative, and thence seek again to the positive, thus keeping up a continuous Galvanic circulation throughout the system. Thus the most severe cases of DYSPEPSIA are FERMANENTLY CURED. A FEW DAYS IS OFTEN AMPLY SUFFICIENT TO FRADICATE THE DISEASE OF YEARS.

of New Jersey, of distinguished attainments and exulted rewhat has been the result in my own case, of the application THE GALVANIC BELT AND NECKLACE. My reply For about freenty years I had been suffering from Dyspepsia. Every year the symptoms become worse, nor could lobin permanent relief from any course of medical treatment whatever About fewriers years since, in consequence of him permanent relief from any course of medical treatment whatever. About fewriern years since, in consequence of frequent exposures to the weather, in the discharge of my pastoral duties, I became subject to a severe Chronic Rhoumatism, which for year after, year, caused me indescribable anguish. Farther: in the winer of 45 and 46, in consequence of preaching a great deal in my own and various other churches in the region, I was stacked by the Bronchitis, which soon became so severe as to require an immediate suspension of my pastoral labors. My nervous system was new therways my pastoral labors. My nervous system was new therways my pastoral labors. My nervous system was new therways my pastoral labors. My nervous system in the whole plus manopera there seemed to be no remedial agent whist could reach and recuperate my Nervous System; etchning that I had tried too this purpose had completely faire? At last I was led by my friends to examine your inventions, and (though with no very sanguine hopes of their efficiency.) I determined to try the effect of the spalpication of the GAL-VANIC BELT AND NECKLAGE, with the MAGNETIC FLUID. This was in June, 1848. To my caker as remembers to the same pastoral labors. All physicians acknowledge that these terrible unreases are caused by a deficiency of Nerrous Energy in the affected limbs. Ds. Christic's Galvanic Articles will supply this deficient power, and a complete and entire cure is there affected. Severe Deafness Cured. Severe Dearness Uured.

The following is an extract from a letter lately received from a distinguished physician in the State of Virginia:

"A. H. Chenster, M. D.—Dear Sire: One of my patients, unknown to me, obtained your Galvanic Helt and Necklace, with the Magnetic Fluid, for a serious affection of Deafness. The case was that of a ledy whose Nervous system was much disordered, and her general health poor. Much was done previously to the application of the Belt, but with very little success, and I feel it only right to tell you, that since she commenced wearing the Belt and using the Fluid, but a few weeks ago, she has ENTIRELY RECOVERED HER HEARING, and her general health is better than for several years."
